

HOLIDAY HOMEWORK CLASS -VIII (2022-2023)

“The holiday seasons is a perfect time to reflect on blessings and take out ways to make life better for those around us”

Dear Students

- You matter us most and we ALL MISS YOU!!!!!!
- Stay Safe, be kind to your family and get creative

Summer Vacations are at our doorsteps. Holidays are a well-deserved opportunity to relax and unwind by indulging in activities that are pleasurable at the same time educative. You are going to enjoy your holidays. It's a sincere request to all to complete holiday projects and home assignments on time. Engage yourself whole heartedly as you will learn a lot through it. Practice your hobbies or inculcate new hobbies. Do a lot of reading -can be newspapers, magazines, books or novels. Watch English news daily in order to equip yourself with the information and facts to be used as content in the writing skills. Summer Holidays Homework is an initiative on our part, to inculcate innovativeness, creativity and interest in the task assigned to our students. It will not only enable them to recapitulate what was taught but will also help them to connect themselves to the various learning processes. So, it's the responsibilities of Parents to ensure us that your child will complete the assignments neatly because the objective of holidays homework is to enable our toddlers work independently and also improve their academic skill.

**The work will be evaluated for all subjects on the following parameters:
Ideas and concept, Presentation, Ability to answer the questions, Innovativeness,
